

Wickwar Parish Council

Minutes

A meeting for the above Council was held on Wednesday 3rd March 2016 at the Town Hall commencing at 7pm

Public Time

Councillor Gareth Fielding has been in contact with the Butterfly Conservation Society and is trying to arrange a guided walk through Lower Woods for the Parish in July.

Chairman Martin Summers has read the papers passed on by parishioner Mr D Howard regarding information the Parish Council has to supply the public. The Council has taken advice from Avon Local Council’s Association and the Parish Council publish all that they should.

Parishioners have contacted the Parish Council regarding dog mess in the village and in the King George V Playing fields. The Clerk will contact the Dog Warden and put up posters where appropriate.

Also, parishioners have complained about horse mess on pavements. It is illegal for horse riders to ride on pavements.

Parishioner contacted the Parish Council regarding High Street car parking. The Parish Council have given their approval of a scheme for the Spar shop to have dedicated customer parking. The Parish Council do not have the authority to approve this scheme and the ultimate decision will be SGC Highways Department who will conduct investigations. It is suggested, to ease parking congestion on the High street that people be encouraged to use parking facilities they may have at the rear of their properties. But it is noted that not all High Street residents have this facility.

Parishioner raised concerns over the recent fatality along the Downs Road, and double white lines might be advisable to prevent overtaking. The Clerk will contact Charfield Parish Council.
