

Your Local Pre-school Needs You!

We are urgently looking for willing and enthusiastic volunteers to join our Committee in order to ensure the future of Wickwar Pre-School and allow us to care for local children for years to come.

Wickwar Pre-School has been providing a service to the village for 30 years. However, due to significant personal and professional changes for our current Officers, we need to elect new Officers and Committee members who can dedicate time to ensure that the Pre-School continues to prosper in the future.

Experience isn't necessary as full support and handover will be provided by the current Officers and Committee. We're looking for anyone enthusiastic regardless of whether you have children or grandchildren at the preschool currently or in the past and want to help keep our local charity thriving.

Please attend our next Committee Meeting (with no obligations) where we will discuss the roles and elect new members on

Monday 6th June 2016 in the Town Hall at 7.45pm
