

# Avon Fire Authority Review

## Questionnaire

The Avon Fire Authority is proposing to reduce the number of frontline personnel by 46 over the whole service area.

Remove full time night cover and replace it with on call (Pager) personnel at Yate Fire Station

Cut the immediate response of aerial appliances from Bath & Weston super Mare

Reduce the availability of the Heavy Rescue Tender from Avonmouth

The Authority is required to consult fairly and over a reasonable period of time which should not include bank holiday periods

The current consultation was started on 18 November 2016 and will end on 31 December 2016 (Christmas and New Year).

which is six weeks
