Dear Sir/Madam

**FELTHAM ROAD, PUCKLECHURCH & PUCKLECHURCH ROAD, HINTON
MAJOR MAINTENANCE WORKS 23 NOVEMBER – 08 DECEMBER 2017**

I am writing to advise you about essential roadworks that are to be carried out at Feltham Road, Pucklechurch and Pucklechurch Road, Hinton. From the 23 November 2017, the road will be subject to major resurfacing works.

The works will involve patch repairing defective areas on the carriageway surface ready to receive a surface dressing treatment. The work will start at approximately 7.30am and remain in place until approximately 4.30pm. **These works will create a significant amount of noise.**

For the duration of the works, the road will be closed and all traffic will be diverted around the area whilst the closures are in place (see attached traffic management plan). Access to properties and amenities fronting the site and whose only access is from the closed road, will be available at all times although delays may occur. Every effort will be made to keep the disruption to local residents to a minimum. Please note that adverse weather conditions or plant / delivery problems may affect these dates and times.

Although alternative routes will be signposted whilst the works are in progress, it is possible that delays may occur on the surrounding network. South Gloucestershire Council apologises for any inconvenience caused by these essential works.

In the meantime, if you have any queries please do not hesitate to contact David Boff on the above telephone number or email.

Yours faithfully

David Boff
Engineer (Highway Maintenance)
Street Care
